We have an exciting programme planned for the **7th Annual European Resource Bank**, to be held in London this September. A first class line up of speakers will cover the key policy issues facing us and give 'how to' seminars on improving the effectiveness of your organisation.

On the social side, the ERB will include an opening reception at a stunning penthouse with views across London, drinks on the terrace of the Houses of Parliament and a gala dinner at the historic Guildhall, where the Queen frequently entertains Heads of State.
